

# Half Square Triangle Class

Slightly Biased Quilts

Slightlybiasedquilts.com

Slightlybiasedquilts@gmail.com

Description: The Half Square Triangle (HST) class walks students through the steps of assembling four different sizes of HSTs, which are the building blocks for the Vertex quilt pattern. This class is excellent for someone who is a beginner and wants to level up their piecing skills!

## Materials Needed:

- Vertex Quilt pattern
- Vertex precut kit (for quilt shows), or
  - Triangles: 12 Fat Quarters
  - Background: 3 ¼ yards
- HST trimming tool such as the June Tailor Perfect HST Ruler (available for sale at quilt shows)
- Fabric marking pen
- Rotary cutter with mat
- 24" ruler
- Sewing machine and supplies/accessories (don't forget the power cord!)

Maximum Number of Students: 20
