Description: The Arboreal Pattern class walks students through the steps of assembling the Arboreal quilt, including the steps required for assembling the four different sizes of trees. This class is excellent for someone who is an advanced beginner and has assembled a couple of quilts, all the way up to experienced quilters!

Materials Needed:

- Arboreal Quilt pattern
- Tree prints: 19 Fat Quarters, or 3 Fat Quarters + 31 Fat Eighths, or large scraps!
- Trunk print: ¼ yard
- Background: 3 ½ yards solid OR 4 yards non-solid, non-directional
- Fabric marking pen
- Rotary cutter with mat
- 24" ruler
- Sewing machine and supplies/accessories (don't forget the power cord!)

Maximum Number of Students: 10
